

LHC Transport Updates

Safety for students arriving and departing the College

The safety of our students is our priority particularly when using bus services and train/bus services on Hawthorne Road and Wynnum Road and walking along Hawthorne Road, Beatrice Street, and Virginia Avenue.

Every day there are at least 7 College staff members supervising and managing students who are using bus services and Queensland Rail bus connection services on Hawthorne Road and Wynnum Road before and after school.

- The pedestrian lights crossing on Hawthorne Road
- The bus shelter and the bus stops along Hawthorne Road and near the corner of Hawthorne Road and Wynnum Road
- The intersection of Hawthorne Road and Virginia Avenue
- The intersection of Hawthorne Road and Beatrice Street
- Footpaths on both sides of Hawthorne Road.

The College will keep parents informed regarding additional actions as an outcome of this work.

We do ask Parents and Caregivers to speak with their students about staying safe when arriving and departing school. Key points are:

- Being in a rush after school adds some risk for the girls. Please encourage your student to be organised when collecting her bags, and to allow enough time to cross Hawthorne Road at the lights and proceed to their bus stop.
- Being distracted adds some risk for the girls. Using a mobile phone or using earbuds can reduce their awareness of their surroundings when crossing a road or near a road.
