An EasyPay Direct Debit can be implemented through the "School Fees Account" tab in TASS Parent Lounge with either a bank account or debit/credit card (card surcharge applies).

Fee Assistance

As a school of Good Samaritan Education, the College is committed to providing a Catholic education for all children. In cases of financial hardship, the College will always consider offering a concession on School Fees.

Concessions are means tested in line with Government guidelines. The assessment process involves an Application for Fee Assistance which takes all income into consideration including wages, pensions, all other Centrelink payments, as well as housing costs (e.g. rent/mortgage) and other special circumstances (e.g. medical or legal costs). Once fee assistance is granted, it is essential that this commitment is honoured in full and on time. The College's offer of concession is dependent upon the account being kept up to date and therefore an approved payment plan must be in place.

Fee concessions are subject to annual review and applications must be resubmitted at the commencement of each school year. If family circumstances change, the College Finance Manager must be notified immediately.

Overdue Accounts

The College recognises that it is easy to overlook an account in the rush of everyday life and for this reason we will forward an overdue account reminder for accounts **that are not linked to an approved EasyPay Direct Debit within 14 days of Term commencement.**

If you are experiencing difficulty paying your account, please contact the Finance Manager, Mr Chris Exelby on 3399 0509 or cex@lhc.qld.edu.au as soon as possible to discuss available options. Special concessions (refer below) are available for families experiencing financial difficulty.

As School Fees are collected to benefit all students attending the College, it is imperative that the payment of accounts be kept up to date.

When an account remains unpaid for a period of 90 days or more and where families have failed to respond to communication from the College, consideration will be given to cancellation of enrolment and referring the unpaid account to a professional debt collection agency for recovery. This action is taken where there has been a persistent pattern of failure to meet obligations or to negotiate appropriate payment plans.

Once accounts have been handed to the debt collection agency the matter passes out of the control of the College and all negotiations for payment must then be made with the debt collection agency.

Withdrawal of Enrolment

Parents wishing to withdraw their child's enrolment are required to provide written notification to the Principal no later than one full term prior to the date of departure. Failure to comply with this requirement may result in the College applying one term's fees in lieu of notice.
