Homestay Fees & Charges

Homestay placements are provided by International Student Care Australia (ISCA).

Explanation of College Fees:

Core Tuition Fees – are inclusive of all curricular activities and programmes. This includes the provision of all printed materials, provision and use of equipment and resources, excursions (excluding any voluntary trips, camps, functions or professional performances), transport to school sporting events, annual school magazine and textbook hire. Included within this category are:

- Workbook Costs – Student workbooks are provided as a core component of curricular activity.
- Subject Levies and Other Compulsory Charges – To compensate for compulsory project materials and resources supplied to students in specific subject areas.

Core Programme Fees and Levies are inclusive of the following:

- **Technology Levy** – Assists with the provision of student IT resources including software licensing, system and Internet access, printing, security, protection, filtering and custody of student IT resources. The technology levy also incorporates the operation of the College's 1:1 laptop/notebook program which compliments school curriculum and has proven to provide a more innovative and compelling learning experience.
- **Capital Levy** - This levy is necessary to assist in the funding of capital equipment and the development of low to medium scale infrastructure projects for the College.
- **P&F Levy** – Levy administered by the College on behalf of the Lourdes Hill College Parents & Friends Association. All funds collected by the College are forwarded to the Association to support annual student projects.

Non-Tuition Fees – are inclusive of the following:

- **Administration Service Fee** – Covers the cost of administering the International education program.
- **Overseas Student Health Cover** – A student is required to have sufficient health cover for the duration of their studies in Australia. Lourdes Hill can organise Overseas Student Health Cover through our provider Medibank if required. The cost provided is an indicative charge only.
- **QCAA Fee** – Charged by the Queensland Curriculum & Assessment Authority for completion of the Queensland Certificate of Education in Years 11-12.

Elective Charges

Non-compulsory costs are isolated from Core Fees to ensure that their recovery is linked to only those students / families who specifically choose to benefit from their provision. These charges include:

- **Co-Curricular Programmes** – A unique and valued aspect of the learning afforded students at Lourdes Hill College is the breadth of co-curricular opportunities available. Optional activities, which are additional to the school curriculum, include voluntary sporting activities, sporting clubs / groups, musical tuition and cultural groups, social activities, debating, Year 11 Semi-Formal, Year 12 Formal and the Senior Farewell Dinner.
- **Camps and Retreats** – Whilst all compulsory excursions are funded through Core Tuition Fees, the cost of any voluntary trips such as immersion programs, the Year 6 Canberra trip, camps, retreats and performances are separately charged.

Parents are required to give permission for a student's involvement in any elective activity via Events and Payments in Parent Lounge and are advised of costs at the time. Full payment is required before a student is able to participate in any elective activity.
