Dear Parents and Caregivers,

We hope this message finds you and your families safe and well as we navigate the effects of Cyclone Alfred together. I am writing to update you on the current situation at Lourdes Hill College.

College Status

Campus Condition: Our Leadership and Maintenance team have and continue to conduct assessments of the campus. Some areas require attention to ensure the safety and wellbeing of students and staff, however, the College remains in reasonable condition.

Following the Queensland Government's advice, we have made the local decision to keep the College **closed on Monday 10 March**, to allow for a safe and thorough cleanup of our campus.

We also acknowledge that many staff and families are currently affected by flooding, loss of services, and accessibility challenges. Our priority is ensuring everyone's safety and wellbeing, and we appreciate your understanding during this time.

We will continue to provide updates as the situation evolves.

Learning During the Extended Closure

Years 7-12 students can continue using Subject Teams and OneNote if they have access. Our teachers have prepared work on these platforms to enable this to occur.

Due to power and internet disruptions, Teacher-guided online learning is not possible.

Junior school students will be communicated to via email from the Head of Junior School.

Student Support

Contact the LHC counsellors via email at cou@lhc.qld.edu.au for a referral form. Alternatively, please email Mrs Brasch-McPhee via email at jbm@lhc.qld.edu.au.

My thoughts and prayers are with our wider community during this unprecedented time. As always, we find strength in one another, guided by our Benedictine values of compassion and community. May we continue to uplift and care for each other.

With kindness, peace and hope,

Mrs Kay Gleeson
Principal
