Dear Parents and Caregivers,

I am writing to update you on the status of the College and the plans to ensure the continuity of learning.

We are pleased to inform you that Lourdes Hill College will reopen tomorrow, **Tuesday, 11 March**.

We acknowledge that some families and staff may be impacted by flooding and road closures, which may affect transport options. We encourage families and staff to assess their circumstances and prioritise safety and wellbeing when deciding on attendance.

I sincerely thank our Maintenance staff for their tireless efforts in making this possible. As we prepare to welcome students and staff back, please take note of the following:

**Attendance**

Parents and Caregivers are to notify us via the College APP if your student will **NOT** be on campus tomorrow as per usual process.

**Adjusted Timetable**

To ensure all students are well supported, the day will start with an extended home group, and Period 1 will be shortened. As staff are also affected, we appreciate your understanding and flexibility with scheduling as we transition back to campus.

**Operational Services**

All essential services at the College, including power, internet, tuckshop and LHC on Hawthorne (Uniform Shop) are operational. Our New Farm bus service will also commence.

**Wellbeing Support**

Students in Years 7-12 should contact their HPL, and students in Years 5-6 should reach out to their classroom teacher, either in person or via email.

Counselling support is available to all students. To access this service, please email [cou@lhc.qld.edu.au](mailto:cou@lhc.qld.edu.au) to request a referral and/or consent form.

**NAPLAN and Assessment**

Teachers, in consultation with Heads of Faculty and students, will determine due dates and examination periods. These will be communicated via email and the Student Cafe/Parent Lounge.

**Co-curricular**

We will re-commence with our full Co-curricular Program from Wednesday morning, 12
